2 Chronicles 3

1. Then Solomon began to build the house of the LORD in Jerusalem in mount Moriah, where [the LORD] appeared unto David his father, in the place that David had prepared in the threshingfloor of Ornan the Jebusite.

2. And he began to build in the second [day] of the second month, in the fourth year of his reign.

3. Now these [are the things wherein] Solomon was instructed for the building of the house of God. The length by cubits after the first measure [was] three score cubits, and the breadth twenty cubits.

4. And the porch that [was] in the front [of the house], the length [of it was] sixty cubits, and breadth ten cubits, and height [was] an hundred and twenty cubits, and he overlaid it within with pure gold.

5. And the greater house he cieled with fir tree, which he overlaid with fine gold, and set thereon palm trees and chains.

6. And he garnished the house with precious stones for beauty: and the gold [was] gold of Parvaim.

7. He overlaid also the house, the beams, the posts, and the walls thereof, and the doors thereof, with gold; and graved cherubims on the walls.

8. And he made the most holy house, the length whereof [was] according to the breadth of the house, twenty cubits, and the breadth thereof twenty cubits: and he overlaid it with fine gold, [amounting] to six hundred talents.

9. And the weight of the nails [was] fifty shekels of gold. And he overlaid the
And he reared up the pillars before the temple, one on the right hand, and the other on the left; and called the name of that on the right hand Jachin, and the name of that on the left Boaz.

And he made the vail of blue, and purple, and crimson, and fine linen, and wrought cherubims thereon.

And he made the vail of the house two pillars of thirty and five cubits high, and the other pillar of the same measure: and he set up the pillars in the temple; they were two, and twoicker that was on the heads of the pillars; and the one cherub was five cubits long: one wing of the cherub was fifteen cubits long: and the other cherub five cubits long: one wing of the cherub was fifteen cubits long:

Also he made before the house pillars of thirty and five cubits high, and the chapter that was on the left hand Jachin, and the chapter that was on the right hand Boaz.

And he made a molten cherub on each side of the altar of burnt offering, of one cubit's length the one cherub was with the other in the sight of the house: and the other cherub was with the other in the sight of the house:

And he made the vail of the house twenty cubits long: one wing of the cherub was five cubits long: and the other wing of the cherub was five cubits long:

And he made thereon cherubims five cubits long: and the one cherub was five cubits long: and one wing of the cherub was five cubits long: and the other wing of the cherub was five cubits long:

And the wings of the cherubims were spread themselves forty cubits: and they stood on their feet, and their faces [were] inward.

And he made wainscoting of algum and setting up with thee gold.

And in the most holy house he made two cherubims of image work, and overlaid them with gold.

The wings of these cherubims spread themselves forth twenty cubits: and they stood on their feet, and their faces [were] inward.

And he made the vail of the house two pillars of thirty and five cubits high, and the chapter that [was] on the top of each of them [was] five cubits.

And he made the vail of blue, and purple, and crimson, and fine linen, and wrought cherubims thereon.

And he made wainscoting of algum and setting up with thee gold.

And he made wainscoting of algum and setting up with thee gold.

And he made wainscoting of algum and setting up with thee gold.

And he made wainscoting of algum and setting up with thee gold.

And he made wainscoting of algum and setting up with thee gold.
